“ Daddy, words cannot express how I feel. You were our hero; our Knight in shining armor, our everything. You always had an answer. Besides loving momma, you loved your children and grandchildren to the max. We never did wrong in your sight. You always went to bat for us. How can we ever forget that smile, your laugh, the advice, the unconditional love, our allowance (even as adults), the words of encouragement, the prayers you sent up on our behalf, the many fulfilled requests for BBQ Ribs & Chicken and Deep Fried Turkeys, the chastising us when we chastised your grandkids, and just simply the love you possessed for God. You taught us so much in life and we will carry on your legacy. Realizing the fact that to be absent from the body is to be present with the Lord...We choose today, not to mourn your death but to Celebrate your Life.

P.S. We will take care of "Momma"

Keysha*
