“ Brother Grandad, I can barely sleep knowing that you have passed. You've been more than just a grandfather, you've been my father, my brother and my friend. Words can't explain how much I'll miss cleaning the leaves from in front of the yard while you sit back and point out the spots I've missed, coming over to get the ice out of your little fridge in the room.. Unclogging the toilets and sinks... 😞
😞😞 I love you Grandaddy Hawk.
