“ We came to know Mary at Lake Harris Skilled Nursing Home, where she was a well known and joyous resident. We have a family member there, and it was always a pleasure to see Mary enjoying life. A hug from Mary was a joy to behold. Bingo games will not be the same without her. We just wanted to offer our condolences to the entire family and let you know you are not alone at this difficult time. With our deepest sympathies for your loss, Patrick & JoAnn Reardon
