“ Sending condolences and prayers for healing to Ka’lel and the rest of the family. It’s a painful loss when someone you love goes to God. I remember that beautifully sweet little girl that dad took me to play with so often. She was such a sweet person even then. I am going to miss her and I know all of you are going to miss her desperately. My little cousin is so special and loving someone we will never forget as I have never forgotten her mother. When I was a little girl Mary’s mother would take me with her so often and I loved and still love Terry as much as I will always love Mary. I hope you find peace and comfort in those memories some of which we share. Love to the family and friends. Mary you are in heaven now and I pray that you’re with the rest of your family especially Your mother Betty.
