“ Aunt Mary will be missed. I will always remember her thoughtfulness towards us and our kids. Growing up she would often think of us as she shopped garage sales or stores and made bunny-shaped cake for Easter. She also loved putting smiles on our kids faces by bringing them treats of fruits, ice cream, or donuts. May memories of her live on as we share stories throughout the generations.

“ I am lifting up my family in prayer and dwelling with them through the Holy Spirit as we celebrate the life of Aunt Mary Edna.

I will miss Aunt Mary Edna's laugh, her sharing of family stories, and our conversations about "down-home" cooking and gardening. My mom and dad instilled in me a love for cooking and especially gardening. To cook with the bounty of your personal harvest blessed by God is magical! With the loss of my beloved parents, I had lost my love for gardening (I blamed it on the Texas heat). Through our conversations, Aunt Mary Edna inspired me to resume gardening. The soil in my planter beds is tilled and ready for planting! Thank you, Aunt Mary Edna, for restoring my joy for gardening, for sharing your life lessons, and for loving me and my family unconditionally. May God bless your spirit. I will love you forever.

Your Niece, Mickey
