### Legacy of Love

A wife, a mother, a grandma too;  
this is the legacy we have from you.  
You gave us strength; you gave us might,  
A stronger person would be hard to find,  
And in your heart, you were always kind.  
You fought for us all in one way or another,  
Not just as a wife, not just as a mother.  
For all of us you gave your best,

Now the time has come for you to rest.  
So, go in peace, you've earned your sleep.  
Your love in our hearts, we'll eternally keep.

“ *As I reminisce the nostalgia brings a smile to my face. I remember 70's music, tube top, shirts, barbecue and three young sisters in the back yard laughing and talking. I never forgot that visit at Mary's house and how welcomed I felt. Her smile was infectious and left an imprint on my heart for years to come. She will be greatly missed. Thank you Mary for your kindness.*
