“Melinda, I will forever miss your wonderful personality and warm spirit. You were the glue that held us all together as you meticulously managed the finances for Red Tie Celebrity Golf Extravaganza hosted by Commissioner Ings. You made every committee meeting so pleasant. You were the sunshine that greeted every golfer with your smile on the day of the event. You made the entire experience so much fun that even after the event was over, we continued to enjoy your fellowship. God blessed us with your extraordinary gifts and talents that were always infused with your spirit of excellence and positivity. I am so grateful to God for every moment that we were able to share lunch and laughter. Thank you for diligence and Delta Service. Thank you for being one of God's angels on this earth and showing HIS love in all that you achieved for yourself, your family, and so many others. My Condolences to your family, who will continue to remain in our prayers. I will always remember you and will smile whenever I think of you and hear your name.

“ It was a pleasure working with Melinda at Macedonia. She was always so much fun and about her business. God allows us the time to connect with others and I'm glad I was one of them! Rest now Melinda! You have truly been the servant God placed you here to be! Carol Perry Turner

“ *God continued his providence of power and love by sending Melinda Poole to Florida which followed by her actively serving with the Florida State Conference-NAACP. Melinda showed real commitment and devotion to the mission of the NAACP. I was bless by her love for people and support she provided to me personally in my role with the Florida State Conference-NAACP. Melinda was a beautiful spirit in expressing views and interactions with people she engage. Melinda passing is another opportunity for those left behind to kneel in honor and thanks to almighty God for the time he loaned her to us. His decision to return her to him remains to be his authority. Praises to his holy name!*
