“ Ms. Mercedes known as mom to me. She was a sweetheart of sweethearts. I have been a part of this family since meeting Carl in 1996. After we got married I would tease her about being her favorite daughter-in-law, but didn't have to remind her too often because I am the only daughter-in-law. Lol. She loved to feed you whenever you were coming in the house. I will miss the collards she would send us home with. She and my mom never met, But talked on the phone as if they knew each other for a long time period, I know they will will now. Rest well mom. You are forever in our hearts. ❤️💙💜
