“ I first met Mike during a hurricane clean up, neighbor helping neighbor. He was always willing to lend a hand, a hard worker, kind, generous, and giving. I'm glad to have known Mike and we'll miss him. My condolences to the Fashaw family and our prayers are with you through this difficult time.

“ Mike,
I hope I'm not too far out of line writing you but I didn't get a chance to say good bye to you face to face. I heard you were sick and less than 24 hours later you answered your call. In those final hours, I had some serious conversations with the Lord. I wanted him to perform another miracle and heal you, but each time closed with let "Thy will be done". After that, I ended my prayer asking him to give me the strength to accept his will. I'm glad I did because He called you, my best friend, into His eternal glory. There is a void left in my life but I've started to fill it with almost 60 years of memories. Our friendship, conversations, dreams of what we wanted to do for our families and support for each other made me better. I miss you now but believe we will see each other again.

*Loving memories and prayers for your family,
Broom*
