Today would have been your birthday on earth. Your sermons are still in our hearts. May you have peace, may you rest in peace.

“ *Just found out about the passing of "mikey" who worked for Dr Winters. Just wanted his family to know what a sweet, genuine person he was. Always a smile on his face even when he was being treated for this horrible disease. So proud of his family and his smile was always a welcome sight. He will never be forgotten by his friends and clients. We feel very blessed to have met this incredible man. Our thoughts and prayers go to all of his family*
