“ *The Broken Chain by Ron Tranmer*

*We little knew that day  
God was going to call your name  
In life we loved you dearly  
In death we do the same.*

*It broke our hearts to lose you  
You did not go alone  
For part of us went with you  
The day God called you home*

*You left us beautiful memories*

*Your love is still our guide  
And although we can not see you .  
You are always at our side*

*Our Family chain is broken and nothing seems the same.*

*But as God calls us one by one. The chain will link again.*

*RIP Uncle Mikey* ♥

“ You have always won my heart with your wisdom and the heart of gold you had beating in your chest. For 34 years since we first met at Martin’s Acura you and your family became my family. You been there through my tuffest outings in my life and turn me into a rock with your positive answers and encouragement. My heart now beats for both of us and you will continue to live inside my heart always. You are a example of a great human being ever to walk the face of this earth. One of the hardest working man, a valuable family man , Husband, father and my brother I have ever had the opportunity to honor. It’s is selfish of me to physically have you here, but I know after all those years of you turning that wrench 🛠️ you are resting with the lord now. Till we meet again my bro Love always your brother Victor Andujar 🙏

“ For God so loved the world that he gave his only begotten son that who so ever believe in him shall not perish but everlasting life.”

God looked around his garden and found an empty place, he then looked down upon the earth and saw your tired face. He put his arms around you and lifted you to rest. God’s garden must be beautiful he always takes the best. He knew that you were suffering he knew you were in pain. He knew that you would never get well on earth again. He saw the road was getting rough and the hills were hard to climb. So he closed your weary eyelids and whispered, ‘Peace be Thine’. It broke our hearts to lose you but you didn’t go alone, for part of us went with you the day God called you home. You will be missed dearly, passing and chatting with a friendly wave, you were always a friendly face. 🙏🙏🙏🌸🌸🌸🌸❤️

“ *God Called your name so gently that only you could hear. No one heard the footsteps of the Angel drawing near.. Softly from the shadows, there came a gentle call, You closed your eyes and went to sleep.. You quietly left us all. Mikey, you will forever be in our hearts and never forgotten, I still remember all of your wonderful sayings and advice the day I got engaged. I will cherish those conversations and think of you as I pass them down to my children.*

*Sending love to his amazing family
