“ Dearest Druvonda , Clifford, & Family,
Dea. Tynes and I shall always cherish the love and care showered upon us by our precious Mother Youngblood. From the first moment that shared a pew at Shiloh until the last time that we embraced at the recent NAACP Banquet, the relationship is one that will stand the test of time. She will always be the epitome of all that is captured in the word "Mother." Please know that you are all in our thought and prayers.
