“ *Milton, aka "Get Down" you will truly be missed. I've known you from a little girl until now, my daddy would put you up against the world when it came down to block masonry. Take your rest my guy and in the words of my daddy, we'll "catcha come later". Prayers to the entire Clark family. Erika Floyd Campbell*

“ I'm so sorry for the loss of Milton. Milton was my first cousin. Our mothers were sisters. When we first moved to Florida from Georgia we stayed with Aunt Chris and her family. Milton was always kind and this continued throughout his life. I was a year or two behind Milton in school and he always looked out for me sharing whatever he had. Years later when we moved to NJ and would come to visit the family in Florida he was always so welcoming. He would chastise us for staying at a hotel. He wanted us to stay with the family. He was very comical and always kept us laughing. He was a very kind person and he will be missed.
