I give God thanks, glory and honor for 80 years of life. For 38 years, I worked at A.H. Rise's gift and liquor store in the accounting office. Also worked at the Church of God of Prophecy for 15 years. God walked me through a real rugged, bumpy, winding, stony road, but I kept my eyes on Him. I never stopped to wonder or think what man was saying. I just focused on Him. I

never lost sight of Him. Many tears were shed, but I kept my eyes on him. Many times, I wondered if there was an end.

I thank God for Godly women like sister Jane Pena and Rita Pole, who helped me tremendously on this road. Oh, how sweet to trust in God. Jesus, I take time now to give you thanks and glorify His precious name for all his blessings towards me and my entire family. I love the Lord with all my heart, with all my soul and all my strength, and I am looking steadfastly towards the prize that is set before me with everything that is within me. Thank you, Lord, for another special birthday.

My mission is to continue to pray consistently for children and youth. My vision is that children and youth will embrace the transforming work of Christ in their lives, accept Christ as Lord and personal savior, and confidently live out their faith.

“ To Julien and the rest of the family, we send heartfelt condolences and wish God’s peace and comfort. We remember Miss Myrtle as a very humble soul and a wonderful neighbor - always with a smile and soft spoken voice; a very pleasant personality. She will be missed by all who knew her, but we look forward to the day when the dead in Christ shall rise - those who have accepted Him before death- in the first resurrection to meet Christ in the air. Until then, continue to remain faithful to God for His word shall come to pass.

With love, Vernon & Susannah Lake and family

“ I remember Ms. Burnett as being a very pleasant and caring neighbor in Hidden Valley. When my family moved on the block, she didn’t hesitate to help us out with transportation at times. I will always remember her for her kindness. Rest in peace, Ms. Burnett!

Aunt Myrtle, Thank you very much for being in our lives. You have loved us unconditionally and for that we are forever grateful. Your support has uplifted us so much that you have left us with a genuine example of what we all should strive to be like. This of course is guided by your deep belief in God. Your gifts that you send to us for Christmas will always be remembered. Aunt Myrtle, I miss you and I know you are in a better place. May you rest in Peace. Your nephew Dwight.
