“ *Gone to soon MY BROTHER, my brother. The last days with you in person and over the phone are with me daily. I am so proud to have walked this earth with you as a friend and brother. Man, oh man! what memories we shared. The spirit was the connection. Everyone knew us as brothers and as a big brother to me I was proud of what you accomplished. The games or events loved when you showed up and showed out in your own way. The Villdale Park Reunion family has lost another #ParkBoyz4Life. Rest in peace for earth has no sorrow that heaven cannot heal.*

It was an honor being assistant coach to Mark teaching the T-ball team. Our sons were taught the game and other aspects of life. Mark continued unselfishly giving of his time, knowledge and wisdom to whomever reached out. your legacy will live on.
