“ I met Olinka in 97, we were attending PIC in a Medical assistant class. She was such a joy with a radiant smile out of this world. Your beautiful spirit will live on in the hearts of many. May God bless your children, grandchildren, and most of your mother as they live in this world with your presence. You will be missed but never forgotten. Rest easy my dear friend.

“ Olinka, had a pure heart, n never held her tongue when s conversation came up about change. She always recognized a person for who they are not as much as what they do or have done. Her struggles were always kept silent, but her toughness keep every year from forming You will truly be missed cuz, and never forgotten as you join your fam in a brighter place. God needed you most securing your heart from this ragging war on earth. Love ya'll... T.R. and Fam....
