*Remembering my friend -- my shero, Pandora Taylor, Easy Riders (Winter Park) President. Pandora was a phenomenal person. She was intelligent, positive, friendly, down to earth, and had a wonderful, infectious laugh. In 2002, Pandora was one of the first women I ever saw riding a Goldwing. It was really something to see those Central Florida girls riding in on those big bikes.*

*My husband and I loved her dearly and always looked forward to spending time with her. Our prayer is that the strength and comfort Jesus talked about when he taught, "Blessed are they that mourn, for they will be comforted", will be yours.*
