“ It has been 3 months since Aunt Pat passed away. I have been thinking of how we met and the friendship we developed over the years. She was a kind, sensitive soul with a firey spirit. She always had a moment for me. I never saw her leave anyone out. She was an awesome cook and would put together a meal for anyone who was hungry. She had an open door to those she loved and those in need. She was my inspiration in life because of her unfailing drive and determination. She. Never let anything keep her down. When life dealt her lemons she made lemonade!!! She would not give up and she wouldn't let anyone else give up if she could help it. She was a very strong and independent woman. I will always Love you Aunt Pat and i will never forget you. Rest in peace your struggle is over.

“ I am writing to express how sorry I am for the Baldwin family's loss. Throughout the years I've had the chance to get to know Patricia. I have admired her strength and perseverance, and her unyielding belief in the goodness of God. When I saw her last she had a bright smile on her face. That is how I shall remember her - with a happy heart.

God Bless
