“ Mrs. Pearl!!!!!! 🎵...is how I would sing your name, as you walked through the fitting room doorway, and in return, you would sing my name back or you would respond "Hi Baby", and then we would talk for as long as we needed to and never got pulled into the office or told to start working ... because one thing they knew, is that, Pearl and Lashawn was going to complete their task even if it meant staying longer. You always made work feel like fun. No matter what I was going through, everything seemed better once you arrived. You were my coworker that quickly turned into a friend of mine. We were friends so fast, that I don't even remember how we started being friends... but I know when we will stop, and that's never. Never, because of the woman that you were, are and will always be to me. Honest, Brave, Loving, Loyal, Kind, Considerate, Fierce and 100 in everything you have done. You, Are... Was and Will always be "That Girl". Until we meet again... I love you! 🥰
