

## Quincy D. Ross, Jr.

December 13, 2008 - February 5, 2026

Quincy Demond Ross, Jr., was born to the late Quincy D. Ross, Sr. and Rochelle G. Hamilton on Saturday, December 13th, 2008, in Jackson, Mississippi. They became proud and loved to care for their 1st born child.

As time went by, Quincy, Jr. was always spreading his laughter, love, peace and harmony to those spending time with him in his early childhood stages.

Quincy was welcomed into his changes in school from all his teachers. They were always proud of his performance and ability to excel in his schoolwork. He influenced many of his classmates to be encouraged to always reach for success in their classes.

Quincy was a great, older brother as best as he knew how, since he first became a brother. He taught social communication to his brother and cousins that he grew up with, just as they did the same in his life. He was always aiming for respect amongst his elders, by giving respect to them as he was taught to do.

He leaves to cherish his memory: his mother, Rochelle G. Hamilton-Waldo (Orion); siblings, Carter T. Jackson of Orlando Florida, Hailey Harper, Riley Harper, Taylor Harper, Tyler Harper, and Georgia Harris, all who reside in

Jackson, Mississippi; with a host of his loving grandparents, great-grandparents, grand and great aunts and uncles, cousins as well as, close long lasting friendships.
