From Our Hearts

He's in the sun, the wind, the rain, he's in the air  
you breathe with every breath you take. He sings a  
song of hope and cheer, there's no more pain, no more  
fear, we will see him in the clouds above, hear him whisper  
words of love, we'll be together before long,  
until then we will listen for his song.
