“ *Hey Unk we love and miss you dearly. With time I would of thought to learn how to deal with the pain but it seems the same. The only thing keep me going are the memories thank God for those! I miss seeing that beautiful smile and you always making something into a joking matter. I don't know if you realized how much of an impact you had on my life and how much I appreciate it! LLT 🥺*

“ Our thoughts are with your family. May you find the Scripture at Act 24:15 to be comforting. It gives us hope that we can see and hug Joe again in the future. Our sincere sympathies.

“ *Big Reggie you will be greatly missed by our family... It's going to be hard seeing Dee Dee without you, because every time we see her we see you...you two were inseparable a ride or die couple... Thank you for the precious gifts Lil Reggie & Ree Ree and the rest of the kids that you made a tremendous impact in their lives.... The bond that you, Dee Dee and the kids have will never be forgotten....We don't understand why God saw fit for another Angel to come home early, but we do not question the work of God. RIP..... We Love you Big Reggie!!!!*

“ *What a great friend. Love him and his family very much. I'll always think about him and DeeDee loving FSU as much as Billy and me being the Gator fan. This young man will be greatly missed but he will never be forgotten. I know we'll have yet another angel watching over us. Loving prayers and thoughts to the Jackson family at this very trying time.*
