“ *What a loving.. caring Lady..Its a total shock to me.. Her mom was my kindergarten teacher in 1965.. May the Lord comfort their family..*

Bernard Macon - March 20, 2021 at 10:43 PM

“ *My deepest condolences to Renee's family and dear friends. Our friendship began in high school at FLA and continued through college at OAKWOOD. I will always remember Renee for her compassion and concern for physical excellence. She believed in giving God your best in what ever you do. To her brother and children, may God be near you and comfort you through these difficult days.*

We know Christ is soon to return to claim his own. So many loved ones have passed on over the past two months and each loss points us to the return of our Lord and Savior. May we live ready for His return so we can see our loved one in Heaven.

“ *I am so sorry to hear about your loss. She was a beautiful and kind woman of faith.
Renaee and her family embraced our family when my dad became the pastor of her home church in Apopka. , 34 years ago. Renaee had so much energy. She made sure there were activities planned for the youth and was very active in so many areas of ministry. I am at a loss for words. I had a chance to see her about six years ago. She offered words of encouragement as I battled a devastating illness. Thank you Pearson family for your support and love . May God give you peace and comfort as you go through this difficult time.*

*Hugs of comfort,
Maureen (Mair) and Charles Tapp*

“ *I am so sad to hear of your loss. I went to Forest Lake Academy With her. She was smart and always added to our discussions. I'm so thankful we will see her in Heaven. I am praying for her family.*

“ I am so sorry to hear about your mom. She was a classmate and a friend of mine at OJA and FLA. She had a wonderful smile and contagious enthusiasm. Everyone liked her. We were in band together and she was so much fun. I can see her now. I wish I could've known her as an adult; it sounds like she never changed from what I've read. She was just as special as always. My heart and prayers are with you during this sad time. You will see her again, hold on to that.

“ I sat next to your Mom at OJA. She was so much fun. She would make me laugh. I loved her. She had the best outlook on life. I also went school with her at Forest Lake. She loved sports and was so good at them! In later years, we would bump into each other at Florida Hospital. I would always get a hug from her and we would share happy moments. She would share things about her family whom she loved very much. She was a beautiful, warm, and loving person. I am so sorry to hear she is gone. May you find comfort in our Heavenly Father and your faith.

“ To the family: Renee was my classmate at Forest Lake Academy. I've thought of her from time to time over the years. I am so happy that we have the hope to see her again someday. Praying for your comfort during this difficult time.

*“ To Lindsey and Nick .Your mother was truly a woman of God, a hard worker, a loving and caring person. I have so many memories of high school at Forest Lake and also College at Oakwood. My latest memories of course are playing the piano for the violin group.She was faithful. I know this is hard for you both, just know that both your parents were faithful to God in their service to Him. Hold on to Gods promises, be faithful and He will give you a crown of life. That's a promise that will not be broken. God loves you, remember that. I love you both.
