In times like this,trying to find words,to provide you comfort in your time of grieving,seems humanly impossible... But we serve a loving and compassionate God,who said he'll never leave us nor forsake us.... Mrs.Melvina,I pray that God,provide you the strength,the peace,and the comfort that you truly deserve.*

“ Mrs. Melvina-

My thoughts and prayers are with you. Thank you for putting up with all of our antics back in the day, and the hospitality and warmth you extended to me.

Rodney, Donald and your whole family have always had a special place in my heart and my mother`s heart. To this day, Rod was one of the best friends I have ever known.

Rodney was the type of guy who people loved to be around. No matter how brief the encounter, Rodney just had a way of making you feel better than you did before. His positive spirit, humor and caring nature lifted me up many times during some very troubled years.

Thank you Rodney. The brotherhood of you, Al Dean, and Larry meant the world to me and will never be forgotten.

“ *Those we love remain with us for love itself lives on, and cherished memories never fade because a loved one's gone. Those we love can never be more than a thought apart. For as long as there is a memory, they'll live on in our hearts.*

Rodney will be forever missed...I will always remember our youthful days in New York City, those summer days in Mount Dora, FL and his smile.

Aunt Vinnie...Special thoughts and heartfelt prayers are with you during this time of sorrow.

With deepest sympathy and forever in my heart,

Your cousin,
