SUNSET

There comes a time when we must say farewell, but faith, hope, love, and trust can never die. This new life which God has promised us began for Rodney on October 5, 2021, taking a lifetime of love and memories to Heaven with him. Our hearts are broken, and we will forever miss him, but we take comfort in knowing that God is yet fulfilling his promise from John 14:2 ~ In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. 3. And if I go prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.

“ To Rodney's family. my name is Dwayne McTaw, Sr, I met Rodney, many years ago, when he first started working at then, Circuit City Distr. Warehouse, up in the Bulk Mods. Instantly we became good friends, talking about sports and life, like most men do (ha.ha). one day a beautiful young lady, caught our eyes, and we did what some men do. Debating who will get to speak with first. End of story, he won. But he and that young lady, was blessed with a beautiful angel, baby girl. As I visited them, they welcomed me as a brother, into their home. I have never stopped thinking about them, although my life has taken a bad turn for worse, the memories, of him and their daughter, "Lani", has never been distant from me. I finally was able to reconnect, with his daughter and her mom. Who have kept me posted on him. I've been in Miami, FL for a very long time. it sadden my heart, when the news got to me. With other passings, happening all at the same time. It is my desire to come up, pay true respect to his family. He was a very good friend, even if we had different teams of choice. my prayer for the family is, Be comforted in the Lord, knowing that, he is not suffering any more. May God comfort your hearts and give you peace, AS we all remember all the good and positive memories, we have shared. LOve and blessings to all his family and friends
