“ *To the family, be encouraged for the Lord is faithful and will be your strength in weakness. He has promised that wherever you find yourself He is with you. Your wife, mom, grandmother, aunt, cousin, and friend will truly be missed. But take comfort in knowing that she is now in the presence of our Lord and she yet lives through each of you. Praying for each of you.*

“ *Not everybody can say that they've always felt loved. But I can. Grandma made me feel like I was the BEST loved child on the planet! And if you messed with me or her grandkids.....prepare for Rosa Lee's wrath!! :-)* She created the COOLEST memories for me that will forever shape who I am and how I show love in return. I choose to celebrate her new life!

“ *Rosa told Junior he waited too long to have kids because now she wasn't able to keep her the way she had done for so many other lucky children. I will miss her loving nature and spirit. I thank her for just being Rosa and for sharing her vanilla wafer pound cake recipe with me! Love always, "The Other Leslie"*

“ My most treasured memory of Mom is when she and Dad welcomed me and my family into there family. Moving down from New York with no family here was very hard especially around the holiday.Mom treated me as a daughter and my children finally got grandparents that they could visit since theirs was in NY and they hardly saw. I will truly miss Mom and I know she is watching over all of us. with our heavenly father
