“ To Lera and family:

Please know how sad we were to receive the notice of Roy's passing. We got reconnected with him while planning for our 50th Class Reunion in 2016. You may know several of us were in weekly contact. We heard his stories of his life since high school. We learned about how proud he was of his family. To say the least, knowing that words are few at times like this, we are so sorry for his loss.

May God Bless You and Keep you during this difficult time.
