“ *Our cousins are built-in playmates. In fact, your earliest memories may be of climbing trees, playing kick ball and hide & seek. Spending countless weeks together during the summer vacations from school. We develop love at a very early age that no matter where you are in your adult life. You still cherish and love all the memories you created and shared together. Cousin you will be missed here on earth. But always cherished in our hearts. Until we meet again continue smiling down on us all. Love you Danky... Love Evette & CJ*

JOHN 14:1-3

Do not let your hearts be troubled. You believe in God; believe also in me. My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. Rest In Peace cousin....Love Leon Barfield and family!!
