“ *Ruby was my family's much loved housekeeper for over 40 years. She radiated kindness, love, joy and wisdom. At least 25 or 30 years ago, my mother, now deceased, and I attended the funeral of Ruby's grandmother whom she adored. I know she is reunited now in heaven with her precious grandmother as she was such a faithful servant of God. I consider it a privilege and a great blessing to have known Ruby and called her friend. “ My condolences go out to the Cliatt family. She is one of a kind. Truly a child of God whom I learned a lot from. I could always talk to her no matter what the situation was and she would listen. I will truly miss her, our talks on the phone and more. I just like to say to the family when you cry, I cry but the sadness you feel is felt by loved ones all around. Our loss here on earth is the Lord's gain in heaven. So may there be comfort with youall and may my friend Ruby (sweetie) Cliatt RIP
