“ *Sade in the absence of my son, Drop, who loves you with all his heart, R.I.P. beautiful Princess. Though we love you He loved you first. As I was communicating with him the other day, he said, Ma if I could just hug her just one more time. My advice was, hug those great memories and hold on to them. Y'all had lots of those. And we have to be thankful fit the time God allowed us with her. We love you Sade.*
