“ *I was so sorry to hear about your loss. May God give all of you the strength to get through this very difficult time. "Papa" was one very special human being. He was also there to help someone. He and my husband could sit for hours fixing tools, talking about tools, they loved their tools. He will be greatly missed. God be with you.*

“ *Just wanted to send my condolences and prayers to family. I know he will be greatly missed. It was a pleasure to have known and work for him. I will miss you "Mr Bill". One of the best bossmen I've ever worked for.*
