“ Uncle Bobby, it is very hard to think of what to say: You have always been a constant in our lives and it's hard to think of every day, moving forward, without you here. I know you are with Dad and that makes you happy and me too, but I will truly miss your presence. Please say Hi to Dad and Miss Anne. You all will be and are missed. Love You!

“ I feel like a part of me is missing. My cousin "Bobby" called me "Cuz" and cared about my family just like it was his own. He was my first cousin on my dad's side. Their relationship was just as if they were brothers. My heart and prayers go out to his wife, Bev. With much love, Yvette Brooks Cameron & David Cameron, Jr.

FORGIVE
those who insult
you, attack you,
belittle you or
take you for granted.
But more than this
forgive yourself for
allowing them to
hurt you.

“ I MEANT THOSE SOCKS UP TO THE KNEE
