“ My heart is so broken 💔. Faye and I have been friends for 54 years and we graduated from Jones High School Class of 1971 together. We have always had a great friendship and always stayed in touch no matter where we were. Faye was like a sister to me and she was always there when I needed a friend. She loved her family very much. I will miss you my Friend and I will never forget you. My condolences to Omar her son, Camron her grandson and her sisters, Betty and Ann and her brothers, David, Bubba and Gary. Know that I am praying for you and the entire family for strength and peace. I love you all!!! (Melvin)
