“ I had the pleasure of working with Miss Sarah Noll Wadley at Community Coordinated Care for Children, Inc (4C). I found her to be a very nice person. Miss Sarah made it a point to learn my name and greeted me every time she saw me at work. She brought a Christmas card one year which was not expected.

Sorry to hear of Miss Wadley's passing. Miss Sarah will be missed even though she is in a better place. My condolences to Miss Wadley's family and friends. May you rest in the Lord at this time.

Warmest Regards,

“ I can't comprehend just how sad you must feel  
For the loss of someone you love.  
This sorrowful time must still feel unreal  
And you're looking for strength from above.

*I hope, from my heart, that your pain will decrease,  
That your spirit will gain strength again,  
And I pray that your faith will create inner peace  
And that God will send blessings--Amen.*

*Till then, if you need me to lighten your load,  
I'm waiting to come to your aid.  
Just call on me, and I'll walk down that road,  
Until the dark times start to fade.*

*Deep condolences,
