We met at work in 2017, and grew a great sisterhood until you were called home by the Father. Those that don't know don't realize how kind hearted, caring, loving person you were . Because of your quiet, reserve demeanor. You were not one to gossip or mind others business, you were a very private person. I was very fortunate to be let into your life ,and heart. I'm going to miss our talks my sister. We talked all day every day. Before work, at work, after work. I know you are Resting in Power, until we meet again my dear friend I love you and miss you terribly. ❤️❤️❤️❤️❤️
