“ *I can remember when I first met her. It used to be a joke to call her baby Shaq. She will be missed and I pray for her husband, son, father and family. She was my cousin and my friend. R.I.P. You fought long and SO hard. You encourage me to be brave 🙏🏻🕊️💕*

“ *It saddens me to hear our loss of Shaquana. We were not very close but she is someone I have known since I was in college. She helped me with finding my way in the field of accounting and eventually we ended up working for the same company this year. I had no knowledge of her personal battle with cancer until now. Prayers go out to her family and friends. She was a good person to me, and I am sad hearing that she is no longer here with us. May God bless her soul*
