

Ms. Sherteria D. Williams

November 5, 1983 - January 31, 2017

Sherteria D. Williams affectionately known to her family and friends as “Jelly”, was born on November 5, 1983 to Oswald “Lee Bert” Riley and Winda Gay Williams in St. Cloud, Florida.

As a young child she became a member of the Apostolic Overcoming Holy Church of God (AOH). Where she was baptized and served faithfully in the choir.

Jelly was educated in Osceola County, Florida where she attended Hickory Tree Elementary School, St. Cloud Middle School, and graduated from St. Cloud High School in 2002.

After High School, Jelly relocated to Daytona Beach, Florida to further her education and matriculated to the Great Bethune Cookman College, now University, where she earned a Bachelor of Science Degree in Nursing in 2006. Shortly thereafter, she was hired at Halifax Medical Center as a Registered Nurse. She passionately cared for and treated every patient as family.

While still employed with Halifax Medical Center, Jelly decided to take her career to the next level and enrolled at the University of Phoenix earning a Master's Degree in Nursing in 2011.

Upon graduation, Jelly being career driven and ambitious, landed a position as an instructor at the Great Bethune Cookman University until her health started to decline in 2014. Even after she was no longer able to work, Jelly still managed to continue to do what she loved; caring for others, gardening, traveling and spending time with her family.

On January 31, 2017, at 8:36 pm, Sherteria "Jelly" D. Williams earned the ultimate reward as she transitioned peacefully from this earth to glory.

She was preceded in death by her parents, Oswald "Lee Bert" Riley and Winda Gay Williams;
grandparents, Powell and mother Curlie B. Williams, aunts, Annie Pearl Wiggins and Lona Ruth Williams.

“ *Such a beautiful person. Her smile and knowledge were so motivating, especially to our Nursing Students.*

It was my pleasure to work along side her and share our thoughts and time together.

The health care field - Nursing especially is better because she touched us all. Such a pillar of strength and terrific personality. My thoughts and prayers are with you.
