“ To My Beautiful Joy

Grandma though its been a few days it seems like you departed today. No one will know the pain we feel from your departure or the Love you left us in our hearts. You were my angel, my protection, and strength. You will never be forgotten and will always be missed. I love you my beautiful joy, my Queen, and my 2nd mother. May your spirit rest until we meet again through the pearly gates.

*Your Grandson
