

## Steven Bernard Pitts

December 6, 1977 - August 14, 2024

Steven Bernard Pitts was born on December 6, 1977, in Winter Garden, Florida to parents, Edward and Cathie Pitts.

Steven received his early education in the Orange County Public Schools. He was a graduate of the Apopka High School class of 1996. While at Apopka High School, Steven was a member of the marching band. He was also a member of the varsity football team.

After graduating from high school, Steven attended Florida State University, where he pursued a sociology degree. In June 2001, Steven married the love of his life, Latrice. To this union two beautiful daughters were born: Sydney Brianna and Savannah Brielle. Steven was the ultimate girl dad. His girls are the apples of his eye.

Steven prided himself on being a family man. His goal in life was to please God and take care of his “gals”, all three of them. He was a man who enjoyed doing anything that meant being with his wife and girls. He was an active member of his church, Rejoice in the Lord Ministries, and never hesitated to serve in whatever capacity he could.

Steven transitioned on August 14, 2024. His physical presence will be missed

by all who knew him and loved him dearly, but the wonderful memories created over the years will last a lifetime.

He leaves to cherish his memories: a loving Wife of 23 years, Latrice Pitts; Two Beautiful Daughters: Sydney Pitts and Savannah Pitts; Parents: Edward and Cathie Pitts; Siblings: Brian Pitts, Janet Sharpe (Anthony); Sisters-in-law: Caitlin Schlueter (Jason), and Taylor Zevallos (Juan); In-Laws: Shawn and Terrell Fawbush and Alton and Angelyn Hughley; Grandparents: Benny and Faybelle Eady; Goddaughter: Janiya Filmore; and a host of other aunts, uncles, nephews, nieces, other relatives and friends.

“ *I had the privilege of meeting Steven when I hired him and joined the Department of Business and Professional Regulation, Enforcement, in 2006. Steven was a gentle giant. Great sense of humor. He always had something to say that made me laugh. Steven and Jack heroic moment capturing a battle alligator in his yard. He always had a word about God. “I hope you praised our GOD on this resurrection Sunday!! I love you and I miss you.”*

“ Not only was Steven my friend, he was my brother. He consistently had me laughing and joking via call, text, or in person. Bro I'll never forget the talks and laughs we shared. Your last text to me was that you were praying for me. Today I pray you're at peace. I thank my sister/friend for sharing you with me 25yrs ago. Family vacations and celebrations will never be the same, but we'll be okay. Love you forever my brother.

*“ I spent pretty much every Wednesday with Steve at chapel with our daughters, and then talking for hours on end in front of the church. Steve and I forged a brotherhood, a deep bond that will forever be engraved on heart.*

*Steve I'm gonna miss you so much brother, You were a good man. I promise I will watch after your girls, as if they were my own. I'm glad that at least your constant pain has ceased. I love you. You were an amazing brother and I'm grateful for the few years we had together. Rest peacefully, I'll see ya again someday, meet me at the fountain when I get there, I'm sure there's one we can chat at and catch up.*
