“ *May the Lord comfort and keep "Steve Boy's" wife and kids. His brothers, "June Bug" and Teddy Tillman, the extended family and friends. We moved away from the area over 30 year ago. Of course, Steve always keep in touch with his road dog, my brother, Frank, and he never failed to stop by to say hi to Ms. Frances and Mr. Charlie if he was anywhere nearby, even bringing his wife and kids on occasion.*

And whenever death darken our doors, he always, always made his way to be with us. When momma passed away 2 years ago, both he and Teddy were a welcome surprise.

While we are sad and will surely miss those popup visits, know that nothing will ever take away our memories. May your memories be ones that give you comfort and reminders of happier times.

*Respectfully,
Angela "Neet" Mathews*
