Reflections of Life

A Time to Reflect...

To everything, there is a season, and a time to every purpose under the heaven: A time to be born and a time to die, a time to plant, and a time to pluck up that which is planted..... Ecclesiastes 3:1-2

A Time to be Born...

Sylvester Leon Speed was born on September 8, 1948. The third child of Arthur W. and Mamie Lucile Speed of Lakeland, Florida. He was named after his grandfather, Curley Sylvester Speed.

A Time for Commitment...

At a very young age Sylvester joined Northside Primitive Baptist Church, Lakeland, Florida. Upon moving to Orlando, he later joined the L.I.F.E. Center under the Pastorate of Bishop Ronald Kimble in Eatonville, Florida.

A Time to Live...

Sylvester was educated in the Polk County School System. Graduated from Rochelle High School where he played drums in the marching band. During the 1965-1966 school year Sylvester was the Head Drum Major. After High School, he enlisted in the US Army; serving his country during the Vietnam War stationed at Phu Cat Air Base. During his time in Phu Cat, Vietnam, he was exposed to agent orange which years later caused him many illnesses. He was honorable discharged from the Army with the rank of E-5. He continued his education at Orlando College, receiving an Associate Degree in Business Administration in 1993. Sylvester loved to cruise and had fun snapping candid shots with his camera.

A Time to Labor...

Sylvester was no stranger to work. He held many jobs; some at the same time and some separately. He drove an eighteen wheeler for Publix, worked as a flagman for CSX Railroad, painted houses with his Uncle Clarence, worked as warehouse forklift driver, worked as an Environmental Engineer for Orange County Public School System and Florida Hospital in Apopka, Florida. In 2000, He started driving for Happy Limo Company. He loved driving the Limo and would give guided tours from the airport to the resorts. Due to his failing health, he was forced to go on disability.

A Time of Love and Devotion...

Sylvester was devoted to his children, and fervently kept in touch with all of them. Cedric Rondel of Coon Rapids, Minnesota, Johnny Franklin Lattimore of Lakeland, Florida, Toyaleta Shaenea Speed of Winter Haven, Florida , Nena Bianca Speed of Apopka, Florida and Sean Lamar James of California. Sylvester was happy to see those who were able to visit him for the last time. Sylvester Leon Speed met Shirley M. Goldwire in 1999 of Florida Hospital Apopka. She became his best friend, soul-mate, caregiver and on November 27th, 2004, she became his wife. She was devoted to him, loved and cared for him throughout his illness and death.
