

Tambra Monique Collins

June 23, 1980 - May 26, 2023

Tambra Monique Collins was born June 23, 1980 in Orlando, Florida to parents, Marvin Collins and Marleen Carson Baker. She attended Orange County Public Schools.

Tambra was a loving and supportive mother. Her devotion and commitment to her children and family were second to none. She spent all of her days here on earth adoring and supporting her family. She was a giver beyond words, as she would give all she had and sacrificed so much for others. Both of her grandmothers were the apples of her eye. She always showered them with love, gifts, and good surprises. She also loved music.

Tambra was a hard worker. She was employed in the hospitality industry as an executive housekeeper until her health declined.

Determined to make heaven her home, Tambra gave her heart to Christ and accepted Him as her personal Lord and Savior. On May 26, 2023, the Lord deemed it timely to end her suffering and called her home to eternal rest.

She was preceded in death by her father, Mr. Marvin Douglas Collins, grandparents, Roy Carson Sr., Ellen and Fred Collins.

She leaves to cherish her precious memories: one Son: Kevin Michael Walker

Jr. of Mayo Florida, one Daughter: Katrina Monique Walker of Apopka, Florida; Mother, Marleen Carson Baker (Louis) of Apopka, Florida; two Sisters: Prescious McIntyre (D'Andre) of Apopka, Florida and Marlaysha Collins of Orlando

“ *Good evening my name is Mike the father of Tambra Collins kids Katrina and Mike. My condolences goes out to the Collins family. Me and Tambra wasn't together of her demise. But me and her resolved our differences and stayed in contact and kept a friendship. I remember when me and her first got together, I used to be on the go all the time and she wouldn't let me go no where without her so I had to take her with me. I remember her smile when she used to be telling jokes and cracking on people. I remember we used to take the kids Katrina and Mike to the amusements park like Universal studios And Kennedy space Center. We had a lot fun together. I remember Tambra bought me a nice watch for my birthday which I still have to this day and treasure. I remember when we had our first kid Mike she got on birth control, so when Mike got up some age I was begging her to have me a girl. At first she wasn't with it, then she gave in. Before Tambra pass she told me to look out for the kids. I thank Tambra for having my kids and I will never forget her.*
