“ *I meet. Mr. Ted last year at a function and we kept intouch every since because he always have Insurance questions, but I couldn't do much for him until I became his Agent a month ago. This wasn't a surprise for me but I didn't know the visit I had with him, would have been the last.*  
*I am happy that his family was able to be with him in his difficult times.*  
*Thanks for inviting me to be a part of this service.*
