“ Something I will never understand but one thing I do know is that we had a special bond. I'm going to miss those conversations in the car when we were on our way to your treatments. I asked God why he said because you were ready. My heart is so broken right now. I must go on without you. You loved me and I loved you with everything in me. It's time that I must let you rest sleep on my beautiful brother. Baby girl love you! Signed: Petetro
