"I Will Trust In The Lord"

Valerie's Victory

Most people are afraid
to believe that they are
worthy of His Love.

Everybody seems to want someone
to validate their value.

You are to die for!!
While you being messy,
Christ died for you!!

What have you gotten yourself into
That you feel you can't get out of?

I don't care what or who it is!!
There is nothing too hard for God!!
Faith is believing God Can!!

“ Words may seem so empty now but still may they impart the kindest thought, the loving smile, the good memories that she left behind. I'm so grateful for the time that we spent together, phone calls, the love that she had for God, family and friends. I'm grateful for our path crossing and the love we had for each other. I'm grateful for the love we shared heart to heart and breast to breast. The love of Jesus. My Ram in the Bush. God is a good God worthy of our praise. Thank you Jesus for allowing me to know this warrior, woman of God doing your will, woman of dignity, woman of spiritual strength and woman of great faith. God makes no mistakes and her legacy lives in our heart. Her work is done. Thank you Jesus for allowing me to know this great warrior of God. My heart is sad but I thank God for the memories.
