Dear Grandma,

No regrets! Of course I wish I could have spent more time with you; but the memories I have of you will last forever. Memories of your quick left hand (good thing I was just a witness), memories of trying to sneak and change the channel from jeopardy & wheel of fortune, memories of helping you find a word in your puzzle book. I wouldn't sell those memories for a billion dollars Grandma, because those memories are priceless! Love ya Grandma. Your Handsome Grandson Kamaal.
