“ *Family isn't always blood relations, its about who walked into your life, said "I'm here for you" & proved it.. Mrs. Gaskins did that for me & countless others. Thank you G-ma*

“ I remember a story Marjorie Simon shared with me about her Sister in Law Vera who was mature in age but never stopped driving. She drove from Florida to Georgia alone to visit her family. I thought that was awesome and a wonderful display of living her life to the fullest. My prayers are with the family during this time of grief.

Love,
Corliss Sheffield

“ God Bless You the Family of Reverend Mother Vera Gaskin. We are indeed praying for you that the comfort of the Holy Spirit, Friends, and family will love and support each other during this most difficult time as we accept the will of God for her life. I don't need to tell you just how loving, giving, encouraging, supporting, and the servant she was. You already know that. I pray that we will always remember to honor and celebrate the great legacy that she leave all of us. Reverend Margaret Reid-Lewis, that you for all you did to make Mother Vera's life meaningful.

“ Enjoyable and Comedian and always full of candor was her greeting card to others. Never meeting a stranger and always embracing others around her. Mrs. Vera, you were a connector, a vine of truth, a true divine Woman of God, and lover of family. Your presence will always be felt, as well as missed. Thank you Mrs. VERA for being the vessel you were to your family and for the opportunity to meet a beautiful soul that left an divine memory and indelible imprint in my heart! I love you to my heart stops beating!
