“ Viola was one of my sisters Shelia’s best friends. She was like family to us. I remember she always had a smile on her face and would leave you with some encouraging words. I remember one of my last conversations with her. She said to me “I just want to see him and lay my head on his lap and just look at him. We all know who she was referring to. Our father in heaven. Viola fought a good fight. You gained your crown now take your rest. We will miss you but you will always be in our hearts. Praying for the family that you will find strength to carry on her legacy of love.

“ *I will miss you dearly Aunt vi, you were so fun, understanding, but didn't play. All the good meals you prepared for us youngsters growing up. We had great conversations throughout the years. I remember when we used to drive your Chevy Chevette, tearing up the rode. Just writing getting me teary eyed. I love and miss you very, very, much. Rest in Heaven young lady. Mona*
