

Dr. Vivian J. Woodard

April 3, 1957 - August 20, 2019

Vivian J. Woodard, M.D., was born to Martha Harvey and Willie Woodard Sr. in Winter Garden, Florida. She was a graduate of both Harvard College (cum laude in Biochemistry) and Harvard Medical School. She completed internship and residency at U.C.L.A. Center for Health Sciences in Los Angeles, California. Dr. Woodard was board certified in Internal Medicine, and after graduating from the university, she spent a year in Ghana, West Africa impacting the lives of young people as a teacher.

As a committed Christian, in addition to ministering as a physician, Dr. Woodard viewed her medical practice as a ministry to her patients and her community. Dr. Woodard served the body of Christ as an astute Teacher of the Word of God, Bible Study Leader, and team teacher for the School of Ministry. She led the Altar Prayer Ministry, and was a devoted Intercessor and Counselor. One of the greatest contributions of which Dr. Vivian Woodard was known is how she lived the life of a giver by serving the community through countless acts of anonymous kindness.

She is survived by her Mother, Martha Harvey, and her Father Willie Woodard Sr. & Loving Step-Mother, Dr. Narva Woodard.

She is also survived by Brothers & Sisters: Willie Wood Jr., Bernetta Buck, Maurice & Elaine Haggins, Sarah Ann & Sennie Lee Rhodes, Carla Booker,

Donetta Woodard, Pauline Holmes, Phillis & Patrick Jordan, Nichole & Allen Barrett, and her spiritual adopted family, The Normanyos: Belinda, David, Gaius, and Eyrarn. She is also survived by Aunts, Uncles, Nieces, Nephews, Cousins, and a Host of other loving Relatives and Friends.

“ *Just today I read an inspirational story of one life-saving prayer Dr. Woodward shared with a childhood friend, amazing. Remembered, new memories and good influences continue and grow.*

Thanks Truly, Frank

“ *Dr. Woodard was truly a dedicated caring physician who cared about my health concerns. She had prayed with me and for me during my health issues and when I was grieving in the death of my husband. I will always remember her kindness and her comforting words. My heart goes out to her family and we will miss her dearly.*

*So grateful to have had her as my doctor,

“ Dr Woodard was always someone who listened and did not rush me when she was my doctor. She prayed with me and cared how I was doing. I felt important when I saw her. I had to change doctors when my insurance changed and wrote her a letter. She wrote back to me. I was going to try to change my health plan for the new year so I could get her and then I just found out God called her home. My heart goes out to her friends and family...she actually called me her friend...she always cared...and now she is no longer with any of us but with her heavenly Father whom she loved and served with all her heart. I have to ask God to help us all through this loss.

“ I moved to Lady Lake several years ago and needed to find a new "GP". God blessed me by letting me choose Dr. Woodard. I had a few medical issues that scared me even though they were not life-threatening. Dr. Woodard in her calm kind voice helped me to feel better about my situation. I liked her immediately and was grateful for the way she handled my health issues. I'm so grateful for her and her personal ministry to help all in need. May God bless all of her grieving family and friends and comfort them during this time of sorrow. Trudi

“ I am so sorry for your terrible loss. Dr. Woodard was my doctor for well over 10 years here in The Villages. I really loved her for her caring way, her great support in difficult times as well as for her knowledge, taking the time to insure I knew what was what,. Her prayers for me were indeed a blessing . I am praying for her now though I am sure she is resting safely in the Lord's arms. God has taken home a special gift he gave to us all.

“ I remember telling Dr. Woodard about an upcoming trip to Israel. The next year she said she was going with her church group. A few months later we talked about places we had both visited and I asked her if she had gone to the Dead Sea. She smiled and pulled out her phone and showed me her picture,,,,floating in the Dead Sea. God has a great helper with Him now.

“ *My family is so blessed to have had Dr. Woodard as our physician for many years. Her caring manner in which she spoke and interacted with us was very encouraging. Dr. Woodard took her time with all her patients taking a personal interest in their lives. I can still hear her soft spoken voice as she prayed with me when my my brother tragically died. I will never forget her smile. I feel I lost a great friend. We miss her deeply.
May the Good Lord keep her in his glory.
