“ I remember as a child, WT took us(my siblings) along with his 3 kids to the fair one year. He dropped us at this house while he went into work. We played for hours it seemed. The lady there was nice, she kept us all fed and safe until WT came back to get us. I believe it was an old blue pickup truck. He loaded us all in the back and took us to the fair. We had so much fun. He used his own money and I'm sure it cost a lot but he didn't seem to mind. He just told us to enjoy ourselves and we did. He even got us candy apples to take home afterwards. He was truly a great man. I will always remember him. Linda Greene-Paramore
